ACADEMIC COUNCIL OF HIGHER EDUCATION

Welcome to

ACADEMIC COUNCIL OF HIGHER EDUCATION

ACADEMIC COUNCIL OF HIGHER EDUCATION (ACHE) is legally established under the guidance of eminent educationists for the development of education among all classes of students on the pattern of open and distance learning mode.

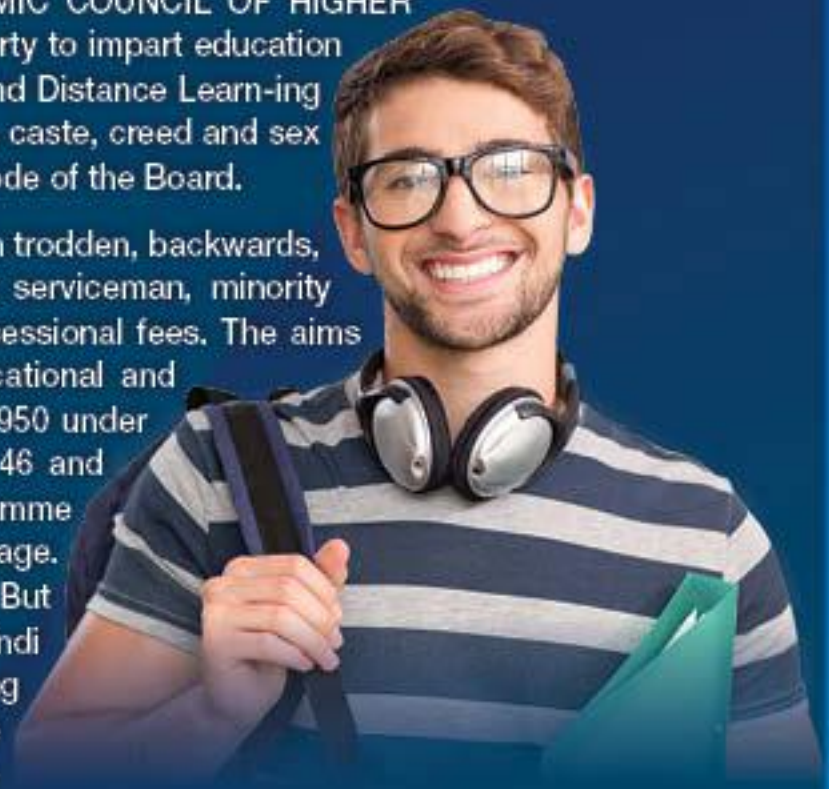

The Board is legal autonomous and nonprofit organization registered under the Government of India. The board is legal autonomous and nonprofit organization registered under the Government of India. The Board has legal right of teaching and training under the provision of the constitution of India. The Board is functioning under the guidance of National Policy on Education 1986 by the Ministry of Human Resource Development, Government of India.

AIMS & OBJECTS:

We believe that the essence of the Board is to create, integrated and disseminate better understandings of the world around us through knowledge. Recognizing the students and faculty shift between and share all three roles, we challenge the nation that knowledge is static and insular. Instead, we welcome and enable a diverse and dynamic learning community of scholars, teachers and learners. The Board's academic centers and programs focus on education and research in specific disciplines and areas of study, and share the knowledge gained with the state, the nation and the world. The faculty works with students to develop their academic skills, both in general and in the context of specific courses or assignments. A range of academic skills workshops are offered throughout the year for students to learn from one another, from the latest pedagogical innovation, through discussions, lectures and individual consultations with the subject and industry experts.

ACHE believes in strategic growth as envisaged in our mission and vision, to impart quality education through vertical and horizontal integration. It strives to become a world class Board with a global perspective, that educates the future leaders of the world. Therefore, the challenge before the Board is to remain the forefront of cutting edge knowledge and to follow the best international practice(s) in academics. ACHE aspire to make academic issue and commitments as the key concerns of the young generation and thereby, make a significant contribution to the academic developments wherever they are in the world. By the fostering of quality education, research and innovation, the Board endeavor to empower youth. With the motto 'Education is the Root of Every Success' "ACADEMIC COUNCIL OF HIGHER EDUCATION" follows the principle of liberty to impart education to the all class of people through Open and Distance Learning mode. There is no barrier of religion, race, caste, creed and sex under the Open and Distance Learning mode of the Board.

The Board also imparts education to down trodden, backwards, detainees, handicapped, war widow, ex serviceman, minority community, S.T., S.C., O.B.C. etc at concessional fees. The aims of the Board is to fulfill the goal of Vocational and Educational right of Indian Constitution 1950 under Article 14, 15, 19 (f), 21, 26, 29, 30, 45, 46 and 351. The medium of the Education programme will be according to their Regional language. Questions will be set in English and Hindi. But the answers will be given in English or Hindi or in their mother tongue. Option of giving Answers in local or any other language must be mentioned in the application form.

About Open and Distance Learning:

Today, in every walk of modern life, information and communication technology has become the base for development in every sphere, including education. This new and changing demand for education has led to the inception of a new era, the era of Open and Distance Learning, which has reconfigured the way a student learns. From home assignments/Tutorials to web based instruction and online learning, Distance Education has emerged as the most remarkable technology based innovation in education. Open and Distance Learning has brought education to the doorstep of the learner and opened paths for progression to all. Due to the Open and Distance Learning Education is no longer the second choice, but is a preferred mode of education of an individual. Open and Distance Learning endows an unmatched flexibility among its students by virtue of which even working professionals, entrepreneurs or housewives can look forward to pursue higher education and upgrade their knowledge, while continuing to do whatever they are doing. Today, Open and Distance Learning Education makes a significant contribution in higher education as it has become the most relevant and appropriate revolution in the development of education to meet the challenges of access, affordability and suitability.

Why Open and Distance Learning:

Open and Distance Learning makes lifelong learning possible, distance education access to education, distance education offers convenience flexibility and affordability. The benefits of Open and Distance Learning are innumerable.
